

FEEDER WATCH!

Backyard Bird Discoveries

Saturday, February 4, 2012

10am—1pm

\$20/person, \$35/couple (materials included)

Poulsbo Library

700 NE Lincoln Rd, Poulsbo

Join Stillwaters and guest presenters to learn about attracting birds to your backyard, identifying those who visit and learning about a wonderful way to record observations.

- ◆ We will be joined by a member of the Kitsap Audubon Society
- ◆ Visit backyards where there is significant feeder activity.
- ◆ The Feeder Watch program allows citizens to record monthly bird observations using feeder stations
- ◆ Build a strong connection with your backyard, neighborhood or watershed
- ◆ This workshop is being offered to people ages 15 and above.

You may be new to your yard or have lived there all your life, but we hope to show you a whole new world!

Please register by February 1, 2011
